## Fotografiranje na MofuConu 2024

Photography and video shooting at MofuCon 2024

PRAVILA IN SMERNICE DOGODKA  
EVENT RULES AND GUIDELINES

MofuCon organizatorji cenimo naše obiskovalce in skrbimo za njihovo udobje. Zaradi tega smo pripravili nekaj hišnih pravil glede fotografiranja in snemanja na dogodku. V primeru neupoštevanja pravil si Društvo Makkon pridržuje pravico do izključitve kršitelja iz dogodka.

Ta pravila veljajo za vse fotografe in video snemalce.

---

1. Prosimo, da cosplayerje pred fotografiranjem vprašate za dovoljenje. Vstopnica dogodka vam ne dovoljuje slikanja obiskovalcev brez njihove privolitve. Želite spontano sliko? Po zajetju fotografije jo pokažite cosplayerju in vprašajte, če jo smete obdržati. Ne glede na to kako dobra je, si morda ne želijo biti na njej.

Če ste cosplayer, se ne bojte zavrniti fotografiranja. Če želite biti fotografirani, lahko zaprosite fotografa za sliko. Seveda ima tudi fotograf pravico spoštljivo zavrniti vašo prošnjo za sliko.

2. Če želite fotografirati mladoletno osebo, prosim pridobite dovoljenje njihovih staršev. Prav tako morate pridobiti dovoljenje za objavljanje na spletu.
3. Prosimo, da ne fotografirate cosplayerjev, ki so zaposleni z osebni opravi. Atmosferične slike so vredne, vendar ponavadi cosplayerji ne želijo biti fotografirani v teh trenutkih.
4. Spoštujte osebni prostor cosplayerjev in njihovih spremljevalcev. Malo stvari je bolj nadležnih, kot da se nenadoma pojavi kamera pred obrazom, še posebej, ko se družijo s prijatelji ali jejo obrok. Če je nekdo v napoto, jih vljudno prosite, da se odmaknejo za zajem slike namesto da se stegujete čeznje.

Če ste cosplayer in vidite nekoga, ki vas želi fotografirati, in ste v to privolili, vas prosimo, da med poziranjem ne stojite sredi hodnikov ali glavne poti. S fotografom se dogovorite za bolj primerno mesto, kjer ne boste omejevali dogodka.

5. Ne dotikajte se cosplayerjev in njihovih rekvizitov brez njihovega dovoljenja. Prosite jih, da si popravijo del kostuma ali, na primer, umaknejo las z obraza, preden jih fotografirate. Če pride do težav v razumevanju, mirno in spoštljivo prosite za dovoljenje, da problem uredite sami.
6. Predstavite se in izmenjajte vizitke ali povezave na socialna omrežja v zahvalo za slike. Fotografi ste zagotovo zadovoljni s sliko, cosplayerji pa jih prav tako zagotovo želijo ponovno videti. Zato je vljudno, da zaupate naslov spletne strani ali mesta, na kateri vas lahko cosplayer kontaktira in prosi za slike. Cosplayerji prav tako lahko delite svoj kontakt s fotografom za lažjo izmenjavo fotografij.
7. Fotografi ponudite svoje fotografije preko spletnih strani, emaila ali neplačljivih spletnih mest za objavljanje vsebin. Prodaja slik in videov zajetih na dogodku je prepovedana in proti pravilom dogodka. Če kot cosplayer delite slike na spletu, dodajte avtorja fotografije.

We, the MofuCon organisers, value respect and comfort of our guests very highly which is why we established the following house rules that apply to all photographers and videographers.

Društvo Makkon reserves the right to exclude rule violators from the event.

---

1. Please ask the cosplayer if you can take a picture.  
Buying an entry ticket doesn't give you the right to photograph someone, it is a favour. Would you like a spontaneous picture? Approach the cosplayer afterwards and ask if you can keep it. No matter how beautiful someone looks, they might not want to be in it! And likewise, if you are the model, please do not be afraid to say no to a picture. If you do want to be photographed, you can also ask a photographer to take a picture, which they are just as free to politely decline.
2. If you want to photograph a child, please ask for permission from the parents. Also ask for permission to publish it on the internet.
3. Please don't take pictures when the cosplayer is busy with personal business. Atmospheric images are fine, but people generally don't like pictures of them at these moments.
4. Respect the personal space of the cosplayer and their companions. Nothing is more annoying for them than suddenly getting a camera shoved in their face, especially when they are talking with acquaintances or eating. If someone is in your way, you can politely ask them to step aside instead of bending over them.

If you are the cosplayer and you see someone wanting to take a picture (and you consent to it), please don't stand and pose in the middle of the path. Ask the photographer to take a beautiful picture somewhere where you won't block the hallways.

5. Don't touch the cosplayer or their props without their consent. You can ask the cosplayers to fix their clothing, or, for instance, to remove a hair from their face. If they don't understand you completely, ask calmly and politely if you can do it for them.
6. Introduce yourself and always give your business card or socials as a thanks. You are probably very happy with your photos and the cosplayer would like to see them again as well. Therefore, it is polite to give contact information or a website link, so the model can ask you for the pictures.

Do you have your own business card as a cosplayer? Do give it to the photographer! If you don't have a card, discuss with each other how you can keep in contact to share the photos.

7. Offer your pictures via email or via a website for free, not on payment sites. State the name of the cosplayer where possible. Selling pictures and videos of the event is not allowed. If you share your pictures as a cosplayer, for instance on social media, always credit the photographer!
